

Leader Dog Report

January 25, 2009

Approximately one third of the clubs have given to Leader Dog. Donations are down to Leader Dog, so if at all possible please give what you can.

I hope everyone has a chance to read the article about Patty Zaller and her Leader Dog Carlee, in the Wisconsin State Journal. It was a nice article about Patty's life and how a guide dog can make all the difference for a visually impaired person.

Leader Dog has approved the application for training to Mr. James Faust of Beloit. He will be assigned to Class No. 09-08 beginning February 8th and ending March 5th. We all wish him the very best in his travel.
