

Region 2 Zone 2
January 25, 2009

I had my second zone meeting for this year on Nov. 6th at PDG Lion Jim Guy's home. All four clubs were represented.

WLF Director Walt Althaus PDG attended and gave a presentation on the camp and other items going on with the Foundation.

I attended the Cottage Grove Lions meeting this past Wednesday, January 21st. I was also at the Lions State Curling tournament in McFarland on January 9-11, hosted by the Cottage Grove Lions. I curled for the first time ever and really enjoyed it. Our Stoughton club had a team there which was also a first time event. The Cottage Grove Lions did a great job of running the tournament, and they made a nice profit.

I plan on attending the Deerfield Lions club meeting the second Wednesday in February; I could not make it in January because of the weather.

All the clubs in my zone are doing a good job and they plan on having some members at the District Convention.
