

District Diabetes Awareness Committee Report

- A. Walk to Cure Diabetes - Lions partnerships with:
 - a. Juvenile Diabetes Research Foundation
 - i. Several Lions walked with 1300 others at the SpeedWay in Oregon on September 20, and raised an incredible \$310,000! District 27-D1 made a modest financial contribution of \$1000.
 - b. American Diabetes Association
 - i. Lions also walked in Janesville on October 11 with another 65 walkers, and raised \$22,000 to benefit the ADA.
- B. The District Diabetes Awareness Committee is planning a District Diabetes Workshop in Albany on November 8; everyone in the District is to be invited.
- C. Diabetes Committee members continue their traditional visits to Lions and Lionesses Clubs to spread the word about diabetes.
