

District 27-D1 Cabinet Meeting
October 26, 2008

Leader Dog

On the weekend of Sept 18th I was unable to attend the tour at the Leader Dog school with the rest of the district chairs. My wife and I made a trip over on Labor Day weekend and received a private tour. It was our first trip there and we were very impressed.

In recognition of Leader Dogs 70th anniversary any club that gives \$70 more than the previous year will receive a special patch. Monroe Lions was the first to contribute to this program.

See you at the meeting.

Lion Bill Kilian
