### **Region 2, Zone 2 Report**

Attended four out of the five Clubs since the District Convention.

Inducted one (1) member into the Pardeeville Lions Club and inducted into office the officers of the Waunakee-Westport Lions Club.

My wife, Lion Sally, and my-self attended the Lake Wisconsin Lions Club officer installation and recognition night in June.

All Clubs in the Zone are active with summer fund raising projects. The Pardeeville Club held a garage sale in May and provided meals for a Triathlon and Pedal Across Wisconsin bicycle group in July. July is by far the Clubs busiest month.

#### **Goals for 2009-2010**

Meet with each Club at least two times between Cabinet meetings.

Help to increase membership in each club.

Work closely with the District Gov. and VDG's so that they may complete there goals.
