

MD27D1 Extension Update:

I am preparing this report for the at cabinet meeting on August 5<sup>th</sup>.

DG Daryl has a membership growth of 100 and for extension he would like to see one traditional Lions club, 1 campus lions club, plus 2 Leo Clubs.

I have meet with the Pastor at Bethel Lutheran Church about a Latino club. He was going to talk with a few members. The Latino population in Madison is 30000 with close to 50000 in Dane county. Before our next meeting I am ordering the new club materials in Spanish. Have received additional Extension materials from International.

Spoke with Lion John Dickson about Black Earth and we will be getting together in the next couple of weeks to discuss possibilities.

IPDG Neil has suggested Friesland, to revisit Barneveld and Gratiot/South Wayne. Must admit if we look at Friesland we are looking at a town of 300 plus population. Fall River is also on the table. The concern is with Columbus where people from Fall River associate with Columbus Lions. Columbus is not part of our district. We have a member who lives in Fall River and his response is that Fall River relates with Columbus. This would be a challenge.

For Edgewood, Julie has found out that the students need to show an interest to start the club.

PDG Rick DeLuge is working with Lion Julie.

Spoke with Lion Steve Pogue on starting Leos clubs in Sun Prairie. Nothing has been done except review the materials

Lion Julie is forming a Leos Club in Stoughton, they have a web page and it looks great.

Lions Emmett and I attended the GMT meeting at the Green Lantern.

GMT extension team and fellow lions.

2<sup>nd</sup> VDG Randy Harrison

Lion Julie Nygaard

PDG Neil Winchell

ZC Emmet Riley

Fellow Lions assisting when needed.

Lion Rick Deluge

Lion John Dickens

Lion Julie

Meet with Platteville Steve Schafer Saturday July 28 to discuss membership. Lion Steve was busy working on a shelter at the park with fellow lions. He took a hour out and spoke with us. Month of October will be a membership drive.
