

USA/CANADA LIONS LEADERSHIP FORUM

Follow the Leadership Road to your Dreams is the theme of this year's USA/Canada Forum held this year in Overland Park, Kansas from September 19-21.

The mission statement of the forum is: To develop leaders, motivate and educate attendees, provide an open exchange of ideas, and support the programs and goals of Lions Clubs International.

Thursday evening hear Ed Hearn of the 1986 World Champion New York Mets. The next year he was traded and suffered a career ending shoulder injury. Six months later he was diagnosed with three potentially life-threatening health conditions. From a professional athlete to being barely able to take care of himself, Ed makes an incredible comeback.

Dayna Steele is a serial entrepreneur. At Friday's luncheon she will show the Lions how to succeed using her Rock Star Principles of Success.

Meet Patrick Henry Hughes at the Saturday evening banquet. Patrick was born without eyes and the ability to fully straighten his arms and legs. To correct scoliosis, he has two steel rods surgically attached to his spine. Despite these health issues, Patrick performed for the Louisville Marching Band with the help of his father. Hear this young man's story.

Registration is still open. For more information go to their website www.usacanadalionsforum.org or email me at lzrock@charter.net.
