

RESOLUTIONS COMMITTEE

The 2012-2013 MD 27 Resolutions Committee met on Saturday January 5, 2013 to review proposed resolutions. We received two (2) resolutions from the WLF which both deal with the Lioness representatives on the Foundation Board having full voting rights. Presently the Lioness reps only have voting rights at committee meetings.

The resolutions are in order and will be presented to the state delegates at the Convention in May.

In addition, the Resolutions committee identified 2 other issues in the MD 27 By-Laws which will require resolutions to resolve. These will be drafted by the committee and also presented at the state convention.
