Lions Pride Endowment Fund of WI, Inc. Report**

With every new Lionistic and the changing of the guard so to speak, we think it important to remind/clarify for Lions and Lioness that all donations received are immediately deposited into the Lions Pride Endowment Fund and no donor dollars are used for conducting the Campaign.

This past year from donor directed interest earnings the Lions Pride Endowment Fund was able to provide Camp Operations monies for 32 campers to have the camping experience of a lifetime and this year we will be providing the monies for 46 campers with our September and March payouts.

Our Newsletter, Connecting Lions and their Friends, has been sent to all our donors. If you are a donor, you should have received your copy in the mail. It includes a wonderful bit of history about Lion Ray Hempel and Lions Camp.

If you have not yet joined the Pride family we would extend that opportunity to you today. We invite to become part of 'Today's help, Tomorrow's Hope.

We are preparing for upcoming conventions and are pleased to announce we have seminar time at the C-1 and B-2 conventions and will be presenting a seminar on how a planned gift to charity can be part of your financial future. It will be conducted by Investment Advisor Representative, PDG Jordan Chadwick. If you will be at either convention we hope you plan to attend.

Copies of our Annual report are still available, call our office if you would like one or an additional copy, it is also available on line.

The next LPEF Board Meeting is scheduled for November 7th it will be a web/teleconference meeting. We use Ready Talk to cut down on travel, time and expenses for LPEF Directors and Lions Pride.

The Campaign currently stands at 6.8 million dollars which as always includes the endowment fund, money market, outstanding pledges, deferred etc.

WISCONSIN LIONS MISSIONS

There is one confirmed eye glasses mission planned for 2013. This will be in Granada, Nicaragua from February 25th to March 1st. 32 Wisconsin Lions will be participating. A second mission is being planned for Antigua, Guatemala from April 6th to the 13th. About 23 volunteers are needed for this mission to go forward. Haiti and Costa Rica are also being explored as possible mission sites. Mexico is still off limits although the need is still great and communications continue.

We still gather school and medical supplies for Mexico. The biggest need is for wheel chairs, walkers and other medical aids. These items will be taken to McAllan, TX in February. The Mexican Lions pick them up there so we don't have to cross the border. In late October Bill Taubman will be in the area with the trailer to pick up any items our District may have collected. Madison School District has several school desks to be shipped.

The January meeting of the Wisconsin Lions Mission will be on the 5th at Lions Camp.

DG Paryl:

Camping season is over and everything went very well. We had a total of 1275' campers this season with 172 from our District. We are in the winter season with groups coming in for 2 or 3 days using the camp with that we make good revenue on the off season.

Our new format for visiting your Lions Camp went over very well. Wednesdays there are 2 visiting times 10AM to 2PM and 4PM to 8PM.

We are not having a clean-up day where many people come on 1 day but if you would like to help just contact Dale at the camp and he can tell what is going on certain days. Just let him know what you like to help with.

The Eye Glass is still collecting glasses so keep collecting all the you can along with hearing aids.

Deer hide season is here with a drop off at Monticello. This has made many thousand dollars for us over the years.

We have our second meeting of the year in 2 weeks that will be the time to pass the Budget for next year, along with making sure that all the projects are running smooth.

Lion Sam and I have eye glass buckets. If anyone needs them and both of us are available to come and put on a program at your Club on your Wisconsin Lions Camp
