

FVDG Randy Harrison cabinet report

Attended the Council of Governor meetings for training on becoming District Governor.

Attended the cabinet meeting in Albany

Had the opportunity to induct in (19) new members and swear in the club officers at the UW at Madison

Attended 6 zone meetings: Enjoyed each zone meeting as they were well attended. Each zone chair covered our DG goals and reported on the events around the district. This was done verbally and with hand outs. Each meeting held a what's your club doing section.

Continue to spend time in preparing for District Governor. LCI and our state GLT and GMT leaders have put together study lessons on Policy, Constitution and By Laws, and District Governor duties. These study lessons have been a great help as I prepare for the District Governor.

Extension: Brodhead has a LEO club, Fennimore, Waunakee, and Deerfield have put paperwork in.

Edgewood is still working on internal paperwork.

Epic progress is at a stand still.

Lion Eric Holthaus and I have contacted LCI for help on starting new clubs. We have a representative/instructor for the week of Feb 3 through the 6th to help start a club in Milton and Clinton.
