District Cabinet Meeting October 13, 2013

Sat in on Zone Chair Meetings for R4Z2, R3Z3, R1Z1, R2Z2, R2Z1, R3Z3, R1Z2, R1Z23, R2Z4, R3Z2, and R4Z1. Helped answer questions from the clubs or zone chairs regarding DG Bob's goals or District questions. We have 14 different zones and 14 different approaches to running a zone meeting. All 14 zone chairs did a good job and got the DG points and goals across to the participants.

Attended the USA/Canada Forum in Overland Park, Kansas along with over 2,000 other Lions, Lioness and Leos. There were 60 seminars spread over two days as well as three speakers including International President Barry Palmer. There were 89 Wisconsin Lions in attendance from all ten districts. Might also note that women made up at least 1/3 to 40% of the members present and were very active in the seminars.

I would like to extend a special thanks to PDG Rob Sherman and Jodi Burmester, the District GMT/GLT leaders, for the training they have worked so hard on the last three years. Because of their efforts, this District is ahead of most of the Districts that I saw at the forum. GOOD JOB.

Respectfully submitted,

Richard "Dick" Schwedsky
