

What a great day for America. Time moves faster every day.

The past 2 months I was only able to visit 2 clubs, Hazel Green and Shullsburg. I will be at both Cuba City and Platteville next week. I have not had contact with U W Platteville since the Zone meeting in August. They were working on the New Year and catching up with members as school started. From newsletters I receive from Cuba City they are always busy, and have reports and dues paid on time. All clubs but U W Platteville have their international dues paid. The state dues I do not know where to check the status. Shullsburg has had several activities, and Hazel Green has a raffle and dinner on the 10-10-2013.

The Zone meeting will be at Shultzies Supper Club at Dickeyville (108 South Main St., Dickeyville WI) Tuesday 10-15-2013 6:00 social, 6:30/7:00 dinner, and meeting.

I am looking for a replacement since this is my last year as zone chair. There are several very talented people in the zone.

I will see you at the cabinet meeting on the 13th in Albany.

Thank you and have a great day.
