

## Children's Vision Screening 2013-2014

The year was highlighted by several District 27-D1 Lions Clubs beginning children's vision screening projects on their own, independent from reliance on outside assistance. The PlusoptiX camera screening device, approved by Prevent Blindness, has made this possible. It is easy to use, training time is much reduced, and it completes the evaluation in a matter of seconds.

Training sessions were presented at the District 27-D1 Convention held at the Marriott in Middleton and also at the State Convention held in Wisconsin Dells. A training session will be held to start the new Lion year in Cuba City on August 23, 2014 at 10:00 AM at the American Legion Building.

The number of reported screenings increased by almost 2.5X this year. Last year in the district, clubs reported 2274 children screened and 164 referred. This year 4914 screenings were reported with 373 referred. These numbers were compiled from statistics sent to Prevent Blindness Wisconsin and to Children's Vision Screening Chair, Dave Hinline for July 1, 2013 - June 30, 2014. We hope with further training more clubs will become involved and numbers will continue to grow. Let no child go unscreened.

### Screening Numbers Reported for 2013-2014

	Screened	Referred	%	Method
Arlington Lions	88	3	3.4%	Plusoptix
Belmont Lions (Mineral Point)	175	27	15.4%	PhotoScreeener
Beloit Noon Lions	811	62	7.6%	Chart
Brodhead Lions	42	4	9.5%	Plusoptix
Cross Plains Lions	51	3	5.9%	Plusoptix
Dodgeville Lions/Lioness	804	59	7.3%	Plusoptix
Edgerton Lions	107	33	30.8%	Plusoptix
Evansville Lions	31	7	22.6%	Plusoptix
Lake Wisconsin Lions	67	2	3.0%	Plusoptix
Lancaster Lions	135	6	4.4%	Plusoptix
Madison Central Lions	49	14	28.6%	Plusoptix
Marshall Lions	70	6	8.6%	Plusoptix
Mazomanie Lions	39	1	2.6%	Plusoptix
Mt. Horeb Lions	57	0	0.0%	Plusoptix
Monroe Lions	409	39	9.5%	Plusoptix
New Glarus Lions	97	7	7.2%	Plusoptix
