

District Cabinet Meeting Report

Children's Vision Screening

03/14/2015

Digital Camera News: Training Sessions for the PlusoptiX screeners were held throughout this past year. At the state convention in May of 2014 over 50 Lions and Lioness learned about or were certified on the system. On 11/22/2014 a training session was held at Edgerton Hospital and 30 Lions and Lioness were re-certified or became certified on the PlusoptiX cameras. A third training session is scheduled for Friday afternoon, 3/13/2015 from 3:00 - 5:00 at the Marriott. Over 30 Lions and Lioness are registered to participate in the session for certification and/or hands-on experience. The training sessions are being well attended and our program is expanding to new areas.

I would encourage all clubs to report their screening totals to PBA and to the district chair (via e-mail is easy!)

Compiled Reported District Screenings: Many Clubs have screened on multiple occasions

	Screened	Referred	
Albany Lions	31	2	6.45%
Brodhead Lions	125	2	1.60%
