Home-Away-From-Home For transplant patients and caregivers

Multiple District 27 Capital Campaign Update October 2, 2014

The Wisconsin Lions have been involved in tissue transplants since 1953 through cornea transplants. We have extended our involvement to all transplants through the Wisconsin Donor Registry and Donate Life Wisconsin.

The Lions of Wisconsin have seen the need to serve the people of our community. The need is to expand the facility from 5 rooms to 16 rooms to meet the needs of our transplant patients and care givers.

We are three months into our second year of the capital campaign. We have received a grant for \$75000.00 from LCIF. One District surpassed there 1st year goal of \$10,000.00.

We will be attending all District Convention and would like a table for our display and handouts. We are also available to give a breakout session or a 10 minute update.
