MD 27 and WLF sponsored the Centennial Challenge to screen 100,000 children from 5/1/2017 to 4/30/2018. Although the time frame is slightly different than the Lion year, according to WLF, District D1 screened over 15000 children in that time span. That indicates not all reports were submitted to the District Chair and maybe some went direct to WLF or Prevent Blindness. Our ending totals should have been closer together. Get your results into the District Chair by attaching them to an e-mail to Dave Hinline at: [dhinline5629@yahoo.com](mailto:dhinline5629@yahoo.com). To obtain an electronic version (Microsoft Excel File) send a request to Dave. The electronic version is fillable on the computer and auto totals the columns. Please use this latest version also found on the Lions 27-D1 website.
