

## WLF REPORT

1-3-2021

Last year deer hides brought in a check for \$56,523.75.

With time to go though things at camp, the discussion was made to auction unused equipment. The auction proceeds was about \$22,949.75, this will into the wish list account.

Summer Camp: Camp Director Yenter reported there is a schedule, they will be restricting camper numbers to 100 per week. They are working with Portage County Health Department for updates. Diabetes Camp will be our Camp starting this year, without the American Diabetes Association. We have a separate committee to make this Diabetes Camp successful. A LCIF Grant as been applied for the Diabetes Camp.

The Diabetes Camp registration will be done on a lottery system, similar to our young adult camping program. If you know a new person that would like to be on the mailing list for Diabetes Camp, they need to call the Lions Camp Office and their name will be added to the mailing list, so they can be added to the lottery system.

We have the Kid for Camp Raffle tickets, we will be contacting clubs to get them delivered.

Please remember to send in your club donations. Keep collection eye glasses & hearing aids, you can contact your WLF Directors for pick up.

WLF Director Laurie Holthaus
