2021-22 Planning Meeting

Participated in 1st VDG Bill Clausius planning meeting to begin laying out goals for next Lions' year.

Area GMI Meeting

February 23rd was the first meeting of this group. Nothing new to report as the agenda focused on the GMI job description & LCI webpage. Hopefully, future meetings will include more sharing between the District GMI so we can learn from each other and bring other ideas back for consideration here.
