How To Vote in a Zoom Meeting

MOTION: If you would like to make a motion, type “First” in the chat box. You will then be unmuted to verbally make the motion.

SECOND: If you would like to second a motion, type “Second” in the chat box – no further action required.

DISCUSSION: If you would like to speak, type “Unmute” in the chat box and you will be unmuted to share in the discussion.

ADDITIONAL ACTION: If you would like to take any additional action, type “Unmute” in the chat box and you will be unmuted.

VOTE: When it is time to vote, a poll or voting box will appear on your screen with the motion listed along with your voting options. Place your vote by clicking your preferred option.
