

End-of-Year LEBW Donor Stats – 2021

LEBW Staff Updates

- Welcome new staff members:
 - Zoe-Anne Barcellos, Donor Support Coordinator

LEBW Transporter Stats

- Approximately 19 Wisconsin Lions Clubs made over 71 transports from January 1, 2022, to February 21, 2022 – thank you! All drop-off and pick-up locations are now fully open. Masks must be worn where facilities are mandating (vaccinated or not).

Thank You

- LEBW was selected as the recipient of donations for the 2022 Summit Eye Care Symposium. The symposium was held in January at the Fiserv Forum, with almost \$2,000 raised to help provide the gift of sight. A special thank you to Dr. Vukich and Dr. Bruns for inviting us to this event to share the impact LEBW has on communities here in Wisconsin and around the world.

Other News

- We are excited to report that Stacey Bullock, Senior Laboratory Technician, has completed training for Descemet Stripping Endothelial Keratoplasty (DSEK) of corneal tissue and the automated version of the type of processing known as DSAEK. After nine months of training, she is officially ready to prepare tissue independently for our surgeons, requesting this type of cornea processing before surgery.
- LEBW was selected as one of five organizations to receive a grant from Donate Life Wisconsin to create a video that will focus on hospice patients/residents and their families. The video will provide more information about the opportunity to become a donor and is scheduled to debut later this year.
- We are hiring! If you are passionate about helping your community and making a difference in people's lives, we want you to join our growing team! LEBW is currently looking for a Community Outreach Coordinator to help share our mission. This is a full-time, non-exempt position that will report to the Senior Manager of Partner Relations. This position will assist LEBW in promoting organ, eye, and tissue donation in the community and supporting fundraising activities. This role works closely with Wisconsin Lions, LEBW Transporters and volunteers, our community, businesses, hospitals, and donation partners. This position requires up to 75% travel within the state of Wisconsin which includes some nights and weekends. Visit www.LEBW.org/careers for a full job description.
