

Everything You Wanted To Know:

SERVING

AS DG

Tuesday, December 6th

7:00 - 8:00 pm

If you've ever wondered what it means to be a District Governor in 27-D1, this session is for you.

This is an information session only... designed to provide attendees with an overview of the responsibilities & costs related to serving as DG, along with the opportunity to ask your questions about serving.

By the way, just because you attend this session, does not mean you are announcing your intention to run for DG.

Registration required:
