

Children's Vision Screening Plusoptix Training

Plusoptix Training Session
Friday, March 11, 2022
at the 27-D1 Convention
Check-in & materials: 3:30 PM
Training: 3:45-6:30 PM

Site: Chula Vista Resort
2501 River Road
Wisconsin Dells WI 53965

For those interested in:

- Learning about digital vision screening
- Learning how to use the camera
- Certification for use of the digital Plusoptix screening equipment

Current Vision Screeners can recertify at this time. Newcomers have the opportunity to certify during this training. Please bring any cameras you have available to practice the proper techniques in taking photos. We will be looking at the new Plusoptix software updates. Please have your S12c & S12r cameras updated to software v7.2.6.0 before the training!

<https://plusoptix.com/en-us/support/support-area/vision-screener/s12c/software-update>

There is no cost to you for materials or training, but advanced notice is requested to ensure the proper amount of training materials are available for new trainees.
