

AFFILIATE CLUBS DISTRICT 27-D1

27-D1 Affiliate District Lioness Report for Lions Cabinet Meeting August 2, 2009

Lioness Greetings!

We are strongly maintaining at 13 (thirteen) clubs with a total of 401 members as of June 30th. Last year our Lioness clubs donated \$16, 271 to Lions projects, \$16,271 to various community needs, and an average of 228 hours per month. I am proud to say we earn our motto of “We Serve Too!”

This next year our District Cabinet meetings will be on August 15, November 7, January 16, April 10, and possibly another one in June. We meet at 9:30 a.m. at the State Bank of Cross Plains in Mt. Horeb and would welcome any of you as guests. We have some goals for this next year--to increase participation at the District level by Lioness Clubs and their members (hoping to “groom” new leaders); to award a Lioness a Knight of Sight Award (will be asking clubs for nominations according to guidelines) at the next District Convention; and to do more in our communities for diabetes awareness. There is a DVD available of “The Lisa Johnson Story” (our Lioness sponsored speaker at our last District Convention).

Please include me in any of your district and club news so I can share your information with other Lioness.

We greatly appreciate the support of the Lions of 27-D1—Thank You!

Respectfully submitted by

Julie Baglama
