## Cabinet meeting (LIONS) Diabetes Committee Report

- Committee was at Lions camp for the Diabetes camp session also our Entire D1 committee attended the Diabetes Focus Group State committee at the Lions foundation office at camp on July 29th We had Pastor John Twiton, ELC Mt Horeb, as our guest, he is a director for Sugarcreek Bible Camp in Ferryville and was very interested in seeing our camp
- Spend a great deal of time this summer arranging a courtesy bus to take Downtown folks to the Nov 7th Diabetes Expo at the Alliance energy center in Madison. The Expo as been postponed due to Pharaceuical compnies lack of support due to the Economy and other coordination problems. Efforts are being made to reschedule in 2010

We are planning workshops in fall, with Nov 21 as the preferred date Regions 1,2, 3, will be at Albany Lions club house on Saturday morning Committee members are now working on speakers and format

A new DVD will be ready very shortly for distribution on Kidney Failure in connection with Diabetes, We now thru the Lions Foundation office have 3 DVD's out and availble to our Lions clubs and any group as a program We are cooping this with National Kidney Foundation

We are supporting the Family Diabetes Camp, Marrekesha at our Lions camp and JDRF walk with Monies and Volunteer assistance

We are Busy !
