Subj: Adult Vision Screening

On July 18th we conducted a screening session at the Warner Park Community Center. The next sessions are in October, on Thursday, October 2nd at the Verona Senior Center 9-12, October 7th at the Eclipse Center in Beloit, 9-1, the Latino Health Fair on October 25th at Luther Memorial Church, 1021 University Ave, Madison, (times not as yet set), and at Deforest on October 30th, (times and place not yet set).

We are still waiting for confirmation and details to participate in the “Stand Down” event for Veterans.

We can use additional help for the Latino event-please contact Lion Bob at 608-444-5192 to volunteer.

We can also use two more volunteers to work on the district Adult Vision Screening committee- contact Lion Bob at 608-444-5192 for details.

Respectfully Submitted,

PDG Bob Faliveno
