

LCIF Report Cabinet report

2024-2025 our LCIF Donations increased. This is thanks to all Lions in District 27D1. I offer my thanks to all clubs and lions who have donated.

Takeaways for last year:

- goal was \$63329 we did not meet goal
- donations total \$40,605. The highest we have donated from information available to me. Great Job one and all.
- Donations exceed 2023-2024 by \$4142.
- 54 individual Lions donated personally, and thank you
- 40 of 56 Clubs have donated or 71.4%. Thank you.

We have many positives to take away. For goals we should have

- I would like to see 100% of our clubs donating to LCIF
- I would like to see 100% donations from the cabinet

However, we have had a great year raising over \$40,000 to support LCIF. All Lions, all clubs should be congratulated for an outstanding year.
