

# MD 27-D1 District Leo's Report 08/3/25

Since last meeting there has not been any new news from the Leo's Clubs in the district.

This Lion year my goals for the Leo's are:

1. Check in with all the Leo's Clubs at the start of the school year to remind them of reporting of hours.
2. Check in with past Lion's Clubs that have had Leo's Clubs and see what the obstacles are how I can help revive their Leo's Clubs
3. Encourage Leo Advisors to send in activities their Leo's are doing so it can be reported to the District.
4. Encourage Lion's Club that sponsor Leo's to involve them in their meetings, fundraisers, and community activities.

Please reach out if to me if there is anything that I can do to help with a Leo Club or any information that would be helpful
