

R2 Z2 Zone Report

For August 3, 2025 Cabinet Meeting

We are the Madison Area Clubs...

Fitchburg is very busy in the summertime with fundraising events that they do in their parks. They did lose their dear member Alice Jensen; what a beautiful funeral service! They collected enough plastic to have a bench made and donated it to the city.

Madison Central is considering joining their club with Madison West.

Madison Evening is still doing game nights and is ringing bells for the Salvation Army.

Madison Monona gained four new members in May/June. They did drop the word "Lioness" from their club name. Currently ringing bells for the Salvation Arm and they are in the plastic recycling program, hoping to gain a bench for Monona.

UW Campus Club is being rejuvenated thanks to PDG Bob! I am hoping for a good year with them!

We (except UW) are organizing a Stuff the Bus in partnership with the three HyVee stores on August 9.

Respectfully submitted,

Julie Baglama
R2 Z2 Zone Chair
