

R2 Z2 Zone Report

For Cabinet Meeting October 12, 2025

All six of my clubs are meeting. They are Fitchburg (meeting coming up the 13th via Zoom), Madison Central, Madison Evening, Madison Monona, Madison West, and UW Campus.

All are answering my emails and all clubs except UW Campus attended my August Zone meeting.

Madison Central and Madison West are still working out the details to merge. Recently rejuvenated UW Campus had a meeting but it was on a Thursday (a work day for me) so I could not attend.

We are working on a repeat of A1c Testing Project with the HyVee stores now that they have hired a new Registered Dietician (meeting today 10-08-2025 at 1:00 p.m. with her) and she is willing to work with Janesville Lions again also.

I am encouraging all the clubs to attend the Regional meetings.

Respectfully submitted,
